

Renovate and make your house a home

FIRST PACE Credit Union wants to help kick off that home renovation project you've always dreamed of with our **affordable Home Equity loan!** Use your home's equity to make your house your home - whether that's the dream kitchen you've always wanted, a fancy outdoor patio, or a finished basement. Whatever renovation project you have in mind, FIRST PACE is here to help turn your house into a home.

Benefits include low closing costs, no pre-payment penalties, as well as affordable terms and payments. In most cases the interest you pay is tax deductible (please consult your tax advisor for specifics). All these benefits make FIRST PACE the place to save on a home equity loan! Please contact us if you are interested in applying for a home equity loan.

FIRST PACE Credit Union can help with a First Mortgage also!

If you are interested in a first mortgage contact Stephanie with questions or help in applying through our partners The Servion Group or First Class Mortgage. You may also apply directly via their website www.myservion.com or www.firstclasscorp.com.
