A MESSAGE FROM THE BOARD OF DIRECTORS:

"We encourage our members to continue to utilize our digital channels for managing their account statements, monitoring balances and transaction activity, account alerts, paying bills, depositing checks or transferring funds. By using our e-services, managing your money has never been easier and safer.

Please talk with family about joining the credit union so they too can enjoy all the benefits of membership. Our co-operative structure insures you will be treated fairly, because you're not just a member of the credit union, you're an owner too! Credit union profits are turned into member benefits by allowing us to offer better rates with fewer and lower fees.

As your board of directors, we look out for our members best interest and continue to look for ways to provide member value. It is our goal to be your preferred financial partner in life.

We hope you think of FIRST PACE Credit Union FIRST for all your financial needs."
